Caretaker Sentry

Safe & Independent in My OWN Home

Med-A-Alert is the dependable 24/7 Personal Emergency Reporting System from Chippewa Valley Electric Co-op, that helps you and your Loved Ones achieve access to HELP IMMEDIATELY.

This system has all the features of our basic package, with the addition of a two-way voice button which allows communication with the response center directly via the button. With an approximate 600 ft. range, the Caretaker Sentry is a great option for those who are frequently outside the home gardening, doing yardwork, or retrieving mail from their mailbox.
