Capital Credits Donations Provide Scholarships to Local Students

Did you know you can donate your capital credits to Chippewa Valley Electric Cooperative’s (CVEC) scholarship fund? CVEC awards scholarships each spring to graduating high school students of cooperative members. Please consider donating your capital credits to help graduates lessen the expense of continuing their education.

We ask that members, active or inactive, contact our office if they are interested in donating their capital credits to the scholarship fund. It is a simple process to donate capital credits to this worthwhile program.

The following former members have unclaimed capital credits from Chippewa Valley Electric Cooperative and have the option of donating them to the scholarship fund or collecting payment. If you know any of these people, please tell them to contact CVEC at 715.239.6800 or by email at cvec@cve.coop.

Any unclaimed capital credits will revert to Wisconsin Federated Youth Foundation, Inc. a charitable tax-exempt trust established by the Wisconsin Electric Cooperative Association for educational purposes (per WI Statute, Chapter 185).
