A SWEET DEAL FOR YOU!

Receive \$20 when you pay automatically!

Sign up for the cooperative's automatic payment program and receive a \$20 one-time credit on your electric bill. The automatic payment program offers a secure transfer of funds from your checking or savings account directly to Chippewa Valley Electric Cooperative to pay your electric bill. A direct withdrawal will process from your bank account on the due date each month for your bill. No more stamps or writing checks!

If you are interested in participating in this convenient and secure payment method, please fill out the form below and return it to the cooperative office. This deal is for first time participants only. The sign-up deadline is March 31, 2025.

I want to participate in the Automatic Payment Plan

2025 Rebate Program Launched

CVEC members can receive benefits by making energy efficient purchases

Check out the cooperative's 2025 ElectricSense® incentive program to see if future purchases qualify for additional money back.

Qualifying new items, such as heat pumps, smart thermostats, appliances, electric vehicle chargers, electric water heaters or even LED lights, can save a household money on their electric bill. Through CVEC's ElectricSense® incentive program, members who submit the proper documentation within three months of purchase (or installation, depending on the item), will receive a bill credit for the incentive

Rebate forms can be found at the co-op office and online at cvecoop.com. Please email cvec@cve.coop or call the cooperative office with any questions.

2025 Incentives

2025 incentive forms are available at the Co-op office and online. Incentives issued while funds are available. Additional terms & conditions on incentive forms; please read thoroughly before submitting.
