

Congratulations!

Chippewa Valley Electric Cooperative is proud to announce our 2022 scholarship recipients.

Scholarships are made possible through unclaimed capital credits. Chapter 185 of the Wisconsin Statutes allows cooperatives to dedicate any funds remaining unclaimed to educational purposes, such as scholarships for continuing education. Scholarships are also made possible by member donations. Members may request that their capital credit earnings be donated to the scholarship fund. If you would like to do so, please call our office at 715.239.6800.

Thirty scholarships, each in the amount of \$500, were awarded to these high school senior graduates.

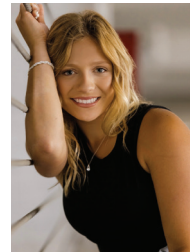

Please turn to page 18 to learn more about each of our scholarship recipients.

WE LOVE OUR MEMBERS!

Member Appreciation Picnic – 2022

There was an amazing turnout of members and their families at the July 8 Member Appreciation Picnic. The weather was perfect, and the truck shop was filled with happy faces as members enjoyed an old-fashioned picnic lunch while visiting with their neighbors and friends. All the while the sounds of joyful children could be heard as they had a blast playing a variety of games in the kids' area. Some even stayed for four hours, the entire length of the picnic! Is there any bigger compliment than seeing a giant smile upon a child's face?!

Thank you for coming out and enjoying the day with us!

Above: Dennis and Libbi from Ntera were on hand.

Left: Rep. Rob Summerfield, 67th Assembly District, and kiddos joined us for lunch.

Jeff Springer, Dairyland Power Cooperative manager of innovation & efficient electrification, brought his EV Pony, an electric Ford Mustang.
