Chippewa Valley Electric Cooperative (CVEC) is proud to announce our 2024 scholarship recipients. This year, Chippewa Valley Electric awarded 23, \$500 scholarships.

Scholarships are made possible thanks to members who have generously donated their capital credits, and from capital credits that have not been claimed. Members may request to have their capital credit earnings donated to the scholarship fund by calling 715-239-6800.

The co-op's scholarships are based on academic record, leadership skills, school and community involvement, awards and recognition, and a 200-word essay about the student's values, personal philosophy, and future goals. Congrats to the following graduates:
