

SMALL CHANGE THAT CHANGES LIVES

One of the founding principles of your electric co-op is neighbors helping neighbors. Our cooperative is in touch with the communities we serve. Our directors and employees live locally. That's why we work hard to achieve a better quality of life for our member-owners.

It was in that spirit that Operation Round Up was launched. Operation Round Up is a program designed to help members of the cooperative and Chippewa Valley residents when they are in financial need due to illness, disaster, or circumstances beyond their control. The fund can also help other non-profit organizations meet their financial goals.

As the name suggests, participating members' bills are rounded up to the nearest dollar. On average the annual donation will be around \$6. One hundred percent of the money is given to local concerns. A simple application to the independent board made up of community volunteers

overseeing the Operation Round Up is all that is needed to apply for funds.

"We will forever be grateful to this organization and our community for helping our family get through the hardest days." — Shelley Lee

"Operation Round Up gave us peace of mind when we needed it most. We are so thankful for the donation and assistance we received. Without the help of Operation Round Up, we would have never been able to afford driving to Mayo Clinic five days a week for our daughter's chemotherapy appointments," said Shelley Lee. "We will forever be grateful to this organization and our community for helping our family get through the hardest days," she added.

Currently our Operation Round Up Board is accepting applications from families and individuals in the Chippewa Valley, as well as non-profit Organizations needing an extra helping hand.

More information about the program and the application can be found here --> <https://www.cvecoop.com/roundup.php>.

SMALL CHANGE THAT CHANGES LIVES

CVEC members can opt in to Operation Round Up to have their monthly electric bill rounded up to the next highest dollar.

For \$6 or less per year make a difference in the lives of families right here in the Chippewa Valley.

Donated funds are pooled into the Chippewa Valley Community Fund, which supports families in need and community projects in the co-op's service area.

CAPITAL CREDITS DONATIONS PROVIDE SCHOLARSHIPS TO LOCAL STUDENTS

Did you know you can donate your capital credits to Chippewa Valley Electric Cooperative's (CVEC) scholarship fund? CVEC awards scholarships each spring to graduating high school students of cooperative members. Please consider donating your capital credits to help graduates lessen the expense of continuing their education.

We ask that members, active or inactive, contact our office if they are interested in donating their capital credits to the scholarship fund. It is a simple process to donate capital credits to this worthwhile program.

The following former members have unclaimed capital credits from Chippewa Valley Electric Cooperative and have the option of donating them to the scholarship fund or collecting payment. If you know any of these people, please tell them to contact CVEC at 715.239.6800 or by email at cvec@cve.coop.

Any unclaimed capital credits will revert to Wisconsin Federated Youth Foundation, Inc. a charitable tax-exempt trust established by the Wisconsin Electric Cooperative Association for educational purposes (per WI Statute, Chapter 185).
